**Federal Student Loan Debt at Advanced Career Institute**

<b>Most recent three year cohort default rate, as reported by the United State Department of Education.<sup>1</sup></b>	<b>Percentage of students enrolled in 2015 who took out federal student loans to pay for this program.</b>	<b>Percentage of graduates in 2015 who took out federal student loans to pay for this program.</b>	<b>Average federal student loan debt of 2015 graduates who took out federal student loans at this institution.</b>
0%	0	0	\$6,333.00

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: \_\_\_\_\_ Date: \_\_\_\_\_

Initial only after you have had sufficient time to read and understand the information.

**\* = This program had no enrollments and produced zero graduates. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 9/21/2011. As of 12/01/2018, two full years of data for this program will be available.**

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL**

You have the right to cancel the enrollment agreement and obtain a refund of charges paid, less a non-refundable registration fee not to exceed \$250 and non-refundable equipment fees or equipment not returned within thirty [30] days following your notice through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when you give written notice of cancellation at the school address shown on the front page of this Agreement. You can do this by mail, email, fax, or telegram. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given a notice of cancellation form upon enrollment, but you can use any written notice that you wish. If you cancel your enrollment agreement, the school will remit a refund within 45 days following your withdrawal less a non-refundable registration fee not to exceed \$250 and less any non-refundable equipment fees or equipment not returned within thirty [30] days following your notice. If the student is rejected for training or if a course is canceled and no classes are attended, the student will receive a refund of all moneys paid.

If you received any equipment from the school, which the enrollment agreement indicates you must return if you cancel enrollment, you must return the equipment within thirty (30) days of the date you sign a cancellation notice or otherwise request cancellation. If you do not return the equipment within this thirty (30) day period, the school may deduct the amount the school paid for the equipment from the refund amount due and you may keep the equipment.
